

I will praise you because I have been remarkably and wondrously made. Your works are wondrous, and I know this very well.
PSALM 139:14 CSB

UNIT VERSE

I will praise thee; for I am fearfully and wonderfully made: marvellous are thy works; and that my soul knoweth right well.
PSALM 139:14 KJV

What's the Link?

The world is full of many amazing things that God made! Look at the middle column and write the name of each thing. Then take little words and push them together to make compound words!

First, add the word that you wrote to the **END** of the first word. Then, add your word to the **BEGINNING** of the other word. For the first example, were your compound words *catfish* and *fishbowl*?

cat		_____	bowl
sun		_____	bed
pine		_____	sauce
eye		_____	park
blue		_____	bath
bull		_____	catcher

Now, circle the compound words that are things God created. For example, you will circle *CATFISH* on the first line.

BONUS!

Fill in the blank with the compound word that is the opposite of EVERYTHING.

God made the world from _____

HINT: The first part of the word is the opposite of YES.

UGG! Bugs!

God created everything for a purpose
We mean everything! Can you match each
creepy crawly with a reason it was created?

- A** By eating other insects, they keep diseases carried by other insects under control
- B** They eat and break down decomposing garbage
- C** Like honeybees, they pollinate flowering plants
- D** They provide a good food source for birds and bats
- E** Their waste is a good source of nitrogen, which plants need to grow

I will praise you because I have been remarkably and wondrously made. Your works are wondrous, and I know this very well.
